

Hello,

RPI Increase on all O2 Tariffs of 2.6% effective from 1st April 2017.

What's happening?

Each year, your O2 Business tariff will be adjusted according to the Retail Price Index (RPI) rate of inflation. This year's RPI is 2.6%. Your bills will be adjusted by this amount in April.

As a reminder, the following is affected:

- All mobile voice tariffs (where a line rental charge is applied)
- All mobile broadband price plans
- Shared Message (texts) and Shared Minute Bolt Ons

New Connections from March 1st

To prevent confused and complicated invoices with RPI increases, all new connections from 1st March will be connected to the new tariff rate with the RPI increase included.
